Amendment Letter:

AN ACT CONCERNING TIMELY MEDICAL TREATMENT FOR INJURED WORKERS.

Chair: PRAGUE, E.

Motion: RYAN, K.

Second: LAMBERT, B.

Action: Joint Favorable Substitute

Language Change:	Creates the presumption that an employer's or insurer's failure to promptly provide treatment recommended by a medical provider is an unreasonable delay without good cause unless a workers' compensation commissioner finds the recommended medical care was neither reasonable or necessary when it was recommended.
